UPDATES – FALL 2018

ONLINE SUPPORT

- We will start using our website home to record and track points—The WA (Wild Apricot) Donations Subsystem
- Points appear as *A²SC Snowbucks* along side transactions like your membership invoice and payment. Both types of transactions appear as USD (\$) even though a *Snowbuck* can only be exchanged for items at our Store
- Points, expressed as *Snowbucks*, are redeemed for items at our Online Store
- At any time you can use the system to view your accumulated *Snowbucks*
- Administrators will produce monthly reports to be published at our website home showing overall point accumulation and redemption.
