Just 20 rooms reserved at this great price
so sign up early**

Fun for everyone. If you just want to relax in a pool, play games, go for a walk, go for a long hike, see the sites, ride a train, bike 5 miles or over 30 miles: This is the trip for you.

We are staying at the Quality Inn & Suites hotel where there is a pool. An area for us to just relax, a recreation center to play games. Then beautiful sites to see.

Whether you bike the old tow path from the Ohio & Erie Canal or hike the park's beautiful trails, you're bound to love Cuyahoga Valley National Park. The tow path is crushed limestone, but quite suitable for road bikes. There are also paved scenic paths connecting to the Cleveland Metro Parks. Hiking offers a variety of choices. You can hike to a number of waterfalls or enjoy the scenic rock formations along "the Ledges" trail. In the spring, the Heron also nest in the park and the sight is amazing.

The trip includes pre-party (Sun June 2, 2024),
Two nights lodging at Quality Inn & Suites Richfield, OH 44286 ,
Two breakfasts and a welcome party (pizza/wine/beer) on Friday night.

**Member cost is \$150 for double occupancy
or \$265 for single occupancy.**

Sign-ups begin at the April 11 meeting. There are 20 rooms reserved (14 w/ two Queens; 6 with one King).
